SUMMARY

Disciplined and detail-oriented, skilled in Python programming and data handling through practical project work. Adept at transforming complex information into clear, actionable results and creating resources to support others. Collaborative problem-solver with hands-on experience using NumPy, Pandas, and Matplotlib; eager to contribute and develop further through an internship.

RELEVANT EXPERIENCE

Computer Tutor   **HopeNepal – December 2024 to April 2025**

- Assisted in developing learning resources and delivered tutorial sessions
- Fostered collaborative learning and technical understanding among students

PROJECTS

Students Data Analysis

- Analyzed educational datasets using NumPy,matplotlib.
- Visualized data trends and generated insights to support academic planning

Netfilx 1990s Movie Analysis

- Analyzed Netflix movie dataset in Python, exploring trends in durations and release years.
- Created visualizations (histograms) to summarize movie duration distribution using matplotlib.

ADDITIONAL INFORMATION

- **Programming Skills**: Python, SQL
- **Tools**: NumPy, Matplotlib, Pandas, Excel
- **Languages:** English, Nepali
- **Certifications:** Python Programming, (Programiz) SQL, (Programiz). NumPY for Data Science (Programiz)
- **Soft Skills**: Analytical Thinking, Fast Learner, Problem-Solving, Adaptable
- **Volunteer:** InnovateEXPO   July 2024
        Career Conclave 2024,   August 2024
        9th Management & IT Education Fair 2024   August 2024

EDUCATION

B.Sc. (Hons.) Information Technology
Asia Pacific University of Technology & Innovation   **Sep 2024**
+2 in science,
Trinity International College   **Mar 2022**

REFERENCE

Diwas Rathod

Program Director at Hope Nepal,
Phone no: +977 9823619287
Diwas was my mentor during a computer training program after my 10th class. Under his guidance, I built a strong foundation in computer science, which led to his hiring me as a part-time Computer Tutor at Shree Balbodh Secondary School. His mentorship and leadership have been pivotal in my professional growth and development.
